See our other [diving courses](#) for more!

All Qualified programmes exclude equipment rental

EAN 32 or 36% Oxygen.

Cylinder filling 32% oxygen: per tank \$ 5

Cylinder filling 36% oxygen: per tank \$ 6

Refresher course \$ 30

A little rusty? Don't worry, we'll up-date you and boost your confidence by going through the following skills:

- Assembly and Disassembly of scuba unit.
- Buoyancy Control
- Mask Clearing
- Alternate air source use
- Regulator recovery
- RDP lecture

Excludes equipment rental.

Scuba Review \$ 85

If you haven't dived for a long while then you're really rusty! No problem - we'll simply go through the basic skills in our pool, through a part of the dive theory, buddy system and gearing up your equipment. The course **includes 1 dive**

Excludes equipment rental.
